The Chairman,  
The Tribunal for Refugees,  
Birmingham.

Dear Sir,

I understand that Fraulein Eva Lewin will be required to appear before the Tribunal in the near future and I think it may assist the Tribunal to have the following particulars concerning her. I can testify that she is a genuine German Jewish Refugee. She is the youngest daughter of Mr. Heinitch Lewin, who has been known to me personally since 1908. Her father was a partner in the firm of Gebrueder Lesser, of Posen, who, until just before 1914, were representatives of Messrs. Ransomes, Sims & Jefferies, Ltd., Agricultural Engineers of Ipswich, of which firm I am ~~an~~ Director. In the spring of this year I met Mr. and Mrs. Heinrich Lewin and their daughter, Miss Eva Lewin in their home in Berlin, and at that time they were eagerly seeking ways and means of getting out of Germany and finding refuge in this country. It was found possible to complete arrangements for Miss Eva Lewin to arrive in this country just a fortnight before the outbreak of war. Her parents, however, although having obtained the necessary permit, were unable to get the requisite papers and passport in Germany in time.

I have no hesitation whatever in testifying to the completely friendly sentiments of the whole family towards this country, and I recommend Miss Lewin's Case to the favourable consideration of the Tribunal.

Yours faithfully

Dear Mr. Bone,

Thank you so very much for your letter of recommendation. I am deeply grateful to you that you took time for writing such a detailed reference, which will be of decisive value for me.

I would be so very happy in England, if I would not know my parents still in Germany, - although we heard several times from them. Until now it seems they live quietly and have no special trouble.

I thank you and Mrs. Bone very much for your great kindness to invite me to your house for a weekend, and I should like also very much to meet Hildegard Basch. But I am afraid, I shall be able to come only after the Tribunal, as I am not allowed up to now to travel any further than 5 miles. But I hope this restriction will be cancelled.

Thanking you very much once more for all your kindness

I am, Dear Sir,

yours sincerely

Eva Lewin.
